

REMARKS/ARGUMENTS

Applicants wish to clarify the remarks submitted on May 6, and to correct a typographical error in those remarks. On page 8, line 16, the remarks stated "However, the drawings show longer rolls in FIG. 3 than in FIG. 1". This is incorrect and the result of a typing error. Instead, the remarks should state "However, the drawings show longer rolls in FIG. 1 than in FIG. 3." In view of the foregoing, Applicant submits that claims 1-11 are patentable over the cited references, and early allowance of the claims is respectfully requested.

Respectfully submitted;
